## HAPPY NEW YEAR !!

As we close 2020 and enter a new year we hope it brings happiness and healthier days to all.

With the uncertainty with COVID, we are still keeping our protocols in place.

This means:

- \*Wearing a mask (except during activity)
- \*Dropping off in the front, pick up in back (please be on time)
- \*Keep children home if they are sick
- \*Limited parent seating (4 chairs)
- \*Sanitizing in-between class
- \*Actively washing hands/using sanitizer
- \*Social distancing

Now that the weather is cold and pick up is in the back, please make sure your child dresses appropriately,
