What's Happening

ATTENTION PARENTS

It's been great having parents back in the gym. Please remember we have limited seating in the back. If there is no seating available PLEASE leave the back area, and wait in your car. DO NOT stand or block door way or seat on our rod floors. This is for our athletes Safety and yours!

To keep you posted on your child progress, coaches are sending home "comment cards" or sending out emails. Let me know if your child did not bring a comment card home or you haven't heard from your child coach.

Parents,
Please check your emails regularly and if your child is on Team or Pre Team check your Band and Turn "on" your notifications. I try so hard to keep our parents informed but it doesn't help if parents are not checking their emails or more importantly FOR TEAM/ PRE TEAM CHECKING BAND.

Starting April 1st we will no longer be accepting VENMO payments. (Unless it's the Adult tumbling class). If you pay tuition through VENMO you will need to log onto your parent account and enter a card for Auto pay. If you have any questions or concerns please contact our office. Thank you

Lindsay Johnson
